

The Go-Away Bird

Introduction – Introduce MC and Character Flaw

There once was a bird who lived in a tree. She had beautiful grey wings and some blue and yellow feathers. She was a beautiful bird but she was very grumpy! She was called the Go-Away Bird.

Build up – Something small goes wrong

On Wednesday, a little green bird flew into the tree. He tried to chit and chat about the weather. The Go-Away bird shook her head and said “Go away! Go away! Go away!”

On Thursday, a little red bird flew into the tree. She tried to peck and peck and eat juicy berries. The Go-Away bird shook her head and said “Go away! Go away! Go away!”

Problem – Something more goes wrong

On Friday, a little blue bird flew into the tree. He tried to flip and flap and soar up high. The Go-Away bird shook her head and said “Go away! Go away! Go away!”

On Saturday, a big, brown bird flew into the tree. He said “I’m going to get you, get you, get you!” The Go-Away bird was frightened. The big, brown bird would not “Go away! Go away! Go away!”

Resolution – The problem is resolved

On Sunday, the Go-Away Bird decided to change. She called to the birds “Come back! Come back! Come back!”

One, two, three flew back! The four little birds flapped at the big brown bird and chased him away.

Ending – The MC learns their lesson

The Go-Away bird knew she had been silly. “You can stay! You can stay! You can stay! Nobody Go-Away!”
