

## THIS WEEK AT PARSON STREET

What a week we've had in school with some fantastic weather - the playground is looking great! Just a reminder that the playground gates open at 8.40. The reception area by the school office can get pretty busy so please only wait there if your child is coming to phonics club or a specific reading intervention. Thank you for working with us on this!

### Learning, Trips and Visitors Daasdfa

#### Reception

Last week Cherry class took part in our fastest mover contest! We brought in things that moved in a variety of ways. We had bikes, cars, remote control cards, dinosaurs on wheels, a fan and we even used our own legs! We had lots of fun measuring the distances we travelled and the speeds in which we travelled at. Well done Cherries.

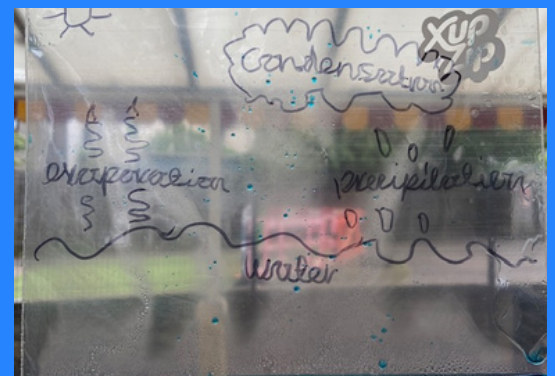

#### Year 6

Yesterday at Life Skills, children learned how to take responsibility for their own safety, as well as assess risk and cope with difficult situations. This happened by putting them in 15 different realistic, interactive experiences. This involved a plethora of rooms such as: first aid training, calling 999, identifying carbon monoxide risks, unsafe social situations and road safety.

#### Year 4

We have been learning about the water cycle and we made our own mini versions to show the process in action.

**DID YOU  
KNOW?** 

**We are holding our own Cyber Protect day on June 13th and you can come to an online safety presentation with Avon & Somerset Police to help keep you and your family safe online?  
8.45am-10am in the family room**

Massive congratulations to the Choir who represented Parson Street on Sunday in the Handfuls of Harmony Spring Concert.

Mrs Balli writes: 'They performed brilliantly, with great courage and energy! I was very proud of them!'
