

THIS WEEK AT PARSON STREET

Welcome back to Term 6!

At the end of last term, we said farewell to Margaret Norman who has been volunteering in the playground for over 5 years. We are so grateful for the time and energy she had dedicated to Parson Street Primary over the years and wish her a long and happy retirement.

'Holidays/ Leave of Absence in Term Time.

Please remember that holidays and requests for leave during term time can only be authorised by Mr Munro in very exceptional circumstances. If you are planning to take your child/ children out of school for any reason, please do request a Leave In Term Time Request Form from the School Office. This explains what is classed as an 'Exceptional Circumstance' and the legal information as set out by the Government.

You may have already heard that when we return to school in September, there will be new national legal guidance surrounding attendance and leave in term time from the Government. We will communicate this to you nearer the time, so please do keep a look out.

Year 4

In the meantime, if you have any queries or concerns regarding attendance, please do speak to Kim Harris, our Attendance Officer, via the School Office.

Year 6 parents/carers

If your child is wanting to attend the **Brean trip** on **15th July** please ensure payment is made by 1st July via Arbor. We have a limited number of spaces available.

Sports Day

If your child(ren) receive free school meals and you require school to provide a packed lunch on Sports Day please let the office know by **Tuesday 11th June**. Sports day is being held on **Wednesday 18th June** at Broad Plain Rugby Club.

A plea from us to please name jumpers and cardigans - especially now the weather is warmer.

Reception

On Monday, Mr Munro delivered a mystery map to Cherry Class. This week we have been thinking about where the mystery map would lead us. On Thursday afternoon we followed the map and arrived at our destination.... The Berry Maze! We spent the afternoon exploring and making a note of all the things we could see. Well done Cherries, you are expert Geographers!
