

Parson Street Primary School

Anti-Bullying Agreement

At Parson Street we are **ready, respectful and safe**. These are our 3 school rules.

What is bullying?

Bullying is when people make others feel sad. It happens continuously and it can be repetitive. It can be verbal, physical or mental.

Where can bullying happen?

It can happen online or in person. It can be anywhere and at any time. It could be during sports, playtimes or in school.

Who are bullies?

Bullying can be from one person or a group. We can't tell a bully by looking at them. We can only tell a bully by the actions and behaviour they show.

What should you do if you see bullying?

1. Stand up and use Topaz and Opal powers. Tell them "this is not how we do things at Parson Street."
2. Speak to a trusted adult and tell them what you saw so they can help.

What should you do if you think you are being bullied? Or you think someone else is being bullied but doesn't want to say?

1. *If you can, speak up and use Topaz and Opal powers, or walk away to avoid conflict.*
2. *Speak to a trusted adult in school straight away.*

What will happen if you tell an adult about bullying?

Every situation is different and the adults will do their best to help end bullying. Some of these things may happen:

- School adults will talk to everyone involved
- Meetings with parents might take place
- There may be consequences for bullying behaviours
- Your class might do some additional PSHE sessions together about kindness
- Lunchtime staff will be informed so they know to help
- Other school adults may be informed so they can help, too.

If it doesn't stop, go back and tell your trusted adult so it can stop for good.

Agreed by school council members on 02.12.24
